

Sidney Stringer Academy

Record results for Sidney Stringer Students at GCSE

This year schools are being judged on a new headline called "**Progress 8**" which measures the progress a child makes in all the subjects and not just English and Maths. Our un-validated progress 8 score is +0.77 which is really high and we think this will be one of the highest scores in the city.

*Sidney Stringer Academy (1st year using **RevisionPlan**)*

Our students have exceeded the targets set by the Trust which required us to be in the top 25% of similar schools nationally. Whilst the year group were below national average on entering the school, through hard work and the fabulous support of our staff, overall the students have achieved at or above the national average. This is great news and a powerful message for all our current students.

*St Mary's Catholic Academy (2nd Year using **RevisionPlan**)*

Best ever results for students at Mortimer! It's a fantastic tool to provide a bespoke planner for every student. We've got teachers who have children at other schools and they were asking if they could have a copy for their kids! It just allows you to bring revision to life and break it down into bite-sized chunks for the kids.

*Mortimer Community College (1st year using **RevisionPlan**)*

Congratulations to the Class of 2016, equalling the record-breaking results of last year!

*St James' Catholic High School (3rd year using **RevisionPlan**)*

RevisionPlan

Build a bespoke revision plan for every pupil and put it in their hands with the **RevisionPlanApp**

Ensure your pupils revise everything they need and give them the best chance of achieving their potential

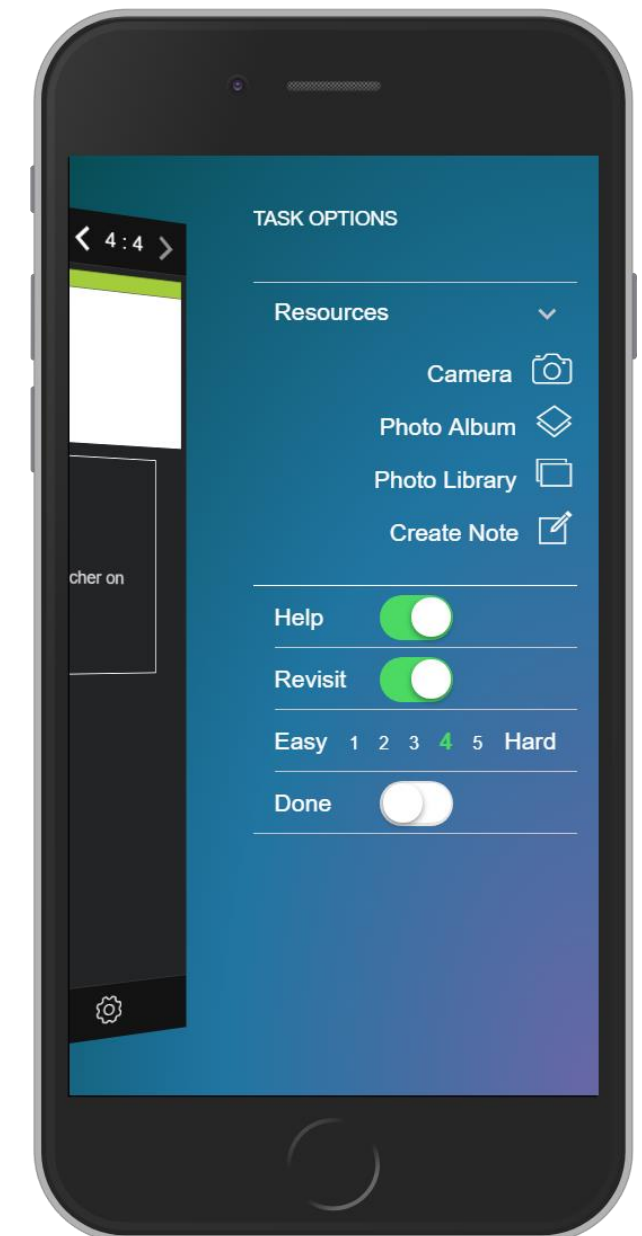

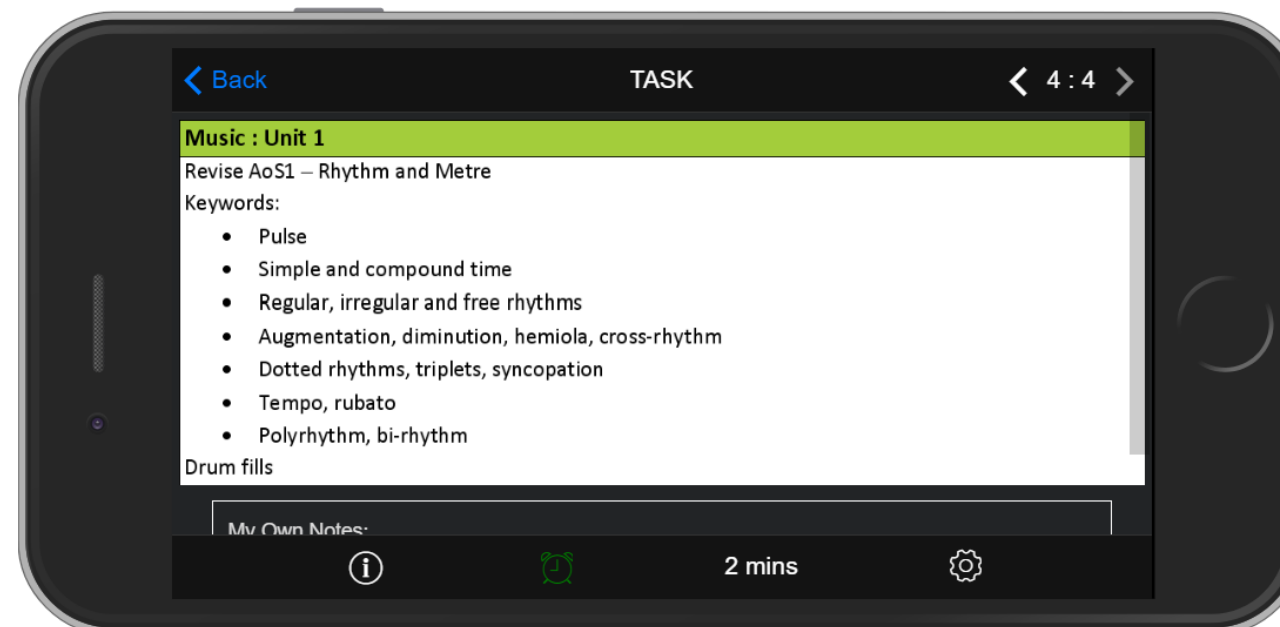

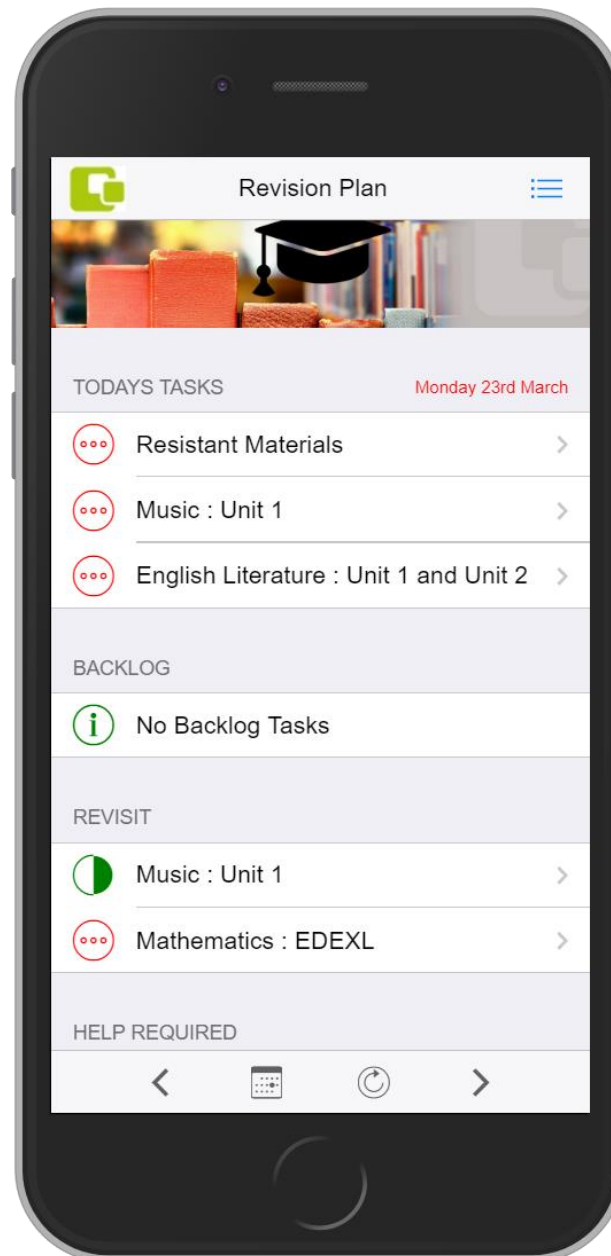

Plan revision with RevisionPlan

Help students achieve their best at exam time by taking control with RevisionPlan.

RevisionPlan does much more than its name suggests. RevisionPlan:

- ✓ Saves management and admin time,
- ✓ Provides clear, detailed revision to both students and parents,
- ✓ Allows the students to request help and feedback,
- ✓ Enables teachers to monitor progress and provide help when needed.
- ✓ Provide a revision plan that helps pupils manage their workload and prioritise revision in all subject areas – an essential skill for ensuring progress is consistent across all exams taken.
- ✓ **Strengthen the home/school partnership** by providing parents/ carers with a clear, concise

How does RevisionPlan achieve this?

- ✓ Subject leaders agree the number of revision slots required.
- ✓ Revision material is allocated to each slot.
- ✓ Exam timetable and student targets are fed into RevisionPlan.
- ✓ Students receive the plan via an APP which provides day by day tasks. Parents can have a copy to!
- ✓ Students are able to request help at the click of a button and to rate the difficulty of each task.
- ✓ Staff monitor the progress of each student, provide help to those needing it and target their revision lessons at those areas identified.
