Plan for Exam Success

Provide your Students with Personalised Revision Structure
Take Control and be Efficient
Whole School or Per Pupil Packages

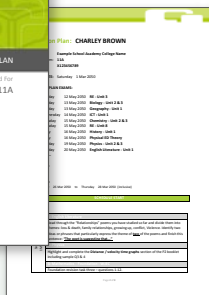

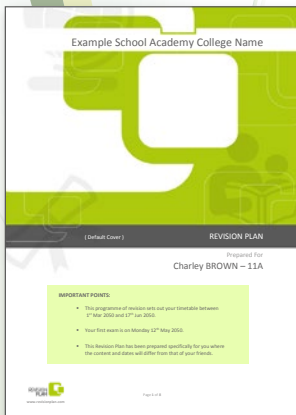

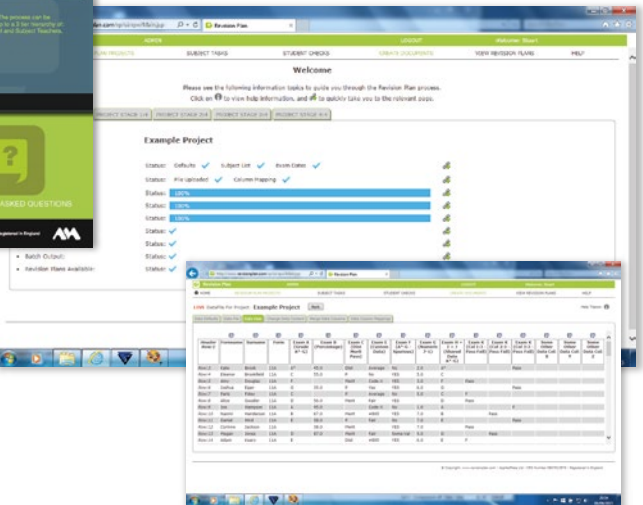

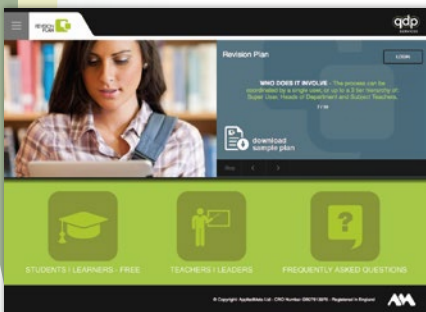

QDP Services is the UK's sole agent for RevisionPlan and is the largest independent questionnaire and data processing service provider in the UK Education and Skills Sector.

RevisionPlan is a highly efficient automated system that produces a personalised structured revision plan for each student. It is a direct response to the increasing demand for resources to be aimed at optimising an individual's ability, providing a managed and targeted route to higher attainment across a cohort.

It can be used as part of a whole school approach to managing your overall performance, and / or be combined and focussed on those disadvantaged learners, maximising their life chances.

With nearly 20 years of experience working in partnership with education professionals responsible for quality, QDP understands your needs.

Plan Success, Provide the Difference!

RevisionPlan

Unlimited Annual or Pay per Learner Packages for Schools & Colleges

Invest in future confidence. Licence fees start from as little as £500 and for whole school programmes the annual efficiency savings are more likely to be ten times this. Take the lead!

RevisionPlan will:

- ✓ Enable you to create individual, personalised learning plans for pupils of all abilities.
- ✓ Allow you to create differentiated tasks then allocate them to pupils based on target grades or prior attainment.
- ✓ Use the plans to effectively support disadvantaged students with their exam preparation through supervised revision sessions.
- ✓ Emphasise the importance of exam preparation, particularly when the weighting applied to controlled assessment is reduced.
- ✓ Help pupils to manage their workload and prioritise revision in all subject areas, an essential skill for ensuring progress is consistent across all exams.
- ✓ Strengthen the home and school partnership by providing parents with a clear, concise summary of all revision to be undertaken, encouraging parents / carers to actively and effectively support and monitor revision.

Schools who have used RevisionPlan say:

**“This is the best result
in the history of the school”**

St. James' Catholic High School

**“Results showed significant improvements
across all measures compared to last year”**

St Mary's Catholic Academy

**Pupils, parents/carers, staff and governors will all benefit.
There is no better preparation for years S3 to S6 students.
Mocks and finals, online and auditable, their and your
future in your hands.**

The RevisionPlan product has been designed by teachers for use by teachers. We provide full support and are proud that 99.3% of our customers would recommend us.

- ✓ RevisionPlan allows you to take control of revision across the cohort, with resource focus and optimised time management.
- ✓ Use it to create greater confidence in attainment and school progress across all or some of the exam subjects.
- ✓ Invest in disadvantaged learners and provide them with an equal and or enhanced level of support towards their future.
- ✓ Take the lead in developing and prioritising continuous improvement in confidence levels and all pupil point scores, staying ahead of the Government's and or your peer's floor standards.
