

RevisionPlan

RevisionPlan allows you take control of the revision to ensure pupils revise effectively which gives them a better chance of success.

RevisionPlan creates personalised plans which reflect the subjects being taken, the target grades and exam timetable. The plan provides consistent, balanced work pattern with rest days and holidays.

RevisionPlan can be used to support 'Progress 8' with learning in the following ways:

- ✓ It enables you to create individual, personalised learning plans for pupils of all abilities
- ✓ Staff can create differentiated tasks then allocate them to pupils based on target grades or prior attainment
- ✓ Plans can be used to effectively support Pupil Premium students with their exam preparation through supervised revision sessions
- ✓ It emphasises the importance of exam preparation
- ✓ A revision plan helps pupils to manage their workload and prioritise revision in all subject areas – an essential skill for ensuring progress is consistent across all exams taken
- ✓ It strengthens the home/school partnership by providing parents with a clear, concise summary of all revision to be undertaken. Parents can then more effectively support and monitor their child's revision.

Record results for Sidney Stringer Students at GCSE

This year schools are being judged on a new headline called "**Progress 8**" which measures the progress a child makes in all the subjects and not just English and Maths. Our un-validated progress 8 score is +0.77 which is really high and we think this will be one of the highest scores in the city.

*Sidney Stringer Academy (1st year using **RevisionPlan**)*

Our students have exceeded the targets set by the Trust which required us to be in the top 25% of similar schools nationally. Whilst the year group were below national average on entering the school, through hard work and the fabulous support of our staff, overall the students have achieved at or above the national average. This is great news and a powerful message for all our current students.

*St Mary's Catholic Academy (2nd Year using **RevisionPlan**)*

Best ever results for students at Mortimer.

*Mortimer Community College (1st year using **RevisionPlan**)*

Congratulations to the Class of 2016, equalling the record-breaking results of last year!

*St James' Catholic High School (3rd year using **RevisionPlan**)*
