

LT Device

Simplicity at Its Best

Designed to enhance learning in any environment, the LT offers a simple design to eliminate any learning curve. Instantly incorporate the easy-to-use LT in your lessons to interact with your students and collect valuable data.

Effective Response Tool

ENGAGE IN REAL-TIME

Ask questions in real-time for instant responses from all students.

ASK THE IMPORTANT QUESTIONS

The simple 5-key design allows for multiple choice, matching and true/false question types.

RELIABILITY YOU CAN SEE

Receive visual confirmation of response selected and received with light indication.

AN IDEAL COMPANION

LT is lightweight and smaller than a credit card, easy to take anywhere.

MADE TO LAST

Durable enclosure ensures maximum longevity and withstands heavy use.

PRACTICAL ACCESSORIES

Utilise the lanyard hole to keep track of every clicker and for easy gathering.
